Diamond Equity Investments Cash Home Buying Company, Chicago. Diamond Equity Investments is one of the largest direct home buying companies in America. We have offices in Atlanta, Philadelphia, Phoenix, and Chicago. Unlike other cash home buyers, we are not a franchise model or intermediate. Instead, we are genuine direct home buyers, and we buy homes directly from the seller, renovate them, and then resell them on the market.

We offer homeowners the fastest and the most convenient as-is sale. Whether you're looking for cash home buyers in Atlanta or need to sell a home fast in Philadelphia, we promise a quick and stress-free sale. Call us or fill out our online contact form, and we'll make an offer in less than 24 hours. If you're happy with our deal, we'll handle the paperwork and arrange for closing. We'll pay for closing and even arrange movers. Plus, we can settle immediately and manage the cleaning and repairs after the sale.

We buy houses in seven days. But if the title is clear and you're ready, we can close in as little as 24 hours! Some homeowners need to close right away yet need time to make alternative arrangements. We understand your circumstances and are willing to wait until you're ready. If you're looking to Just sell it as is - we offer a fast and convenient way to do that!
