Diamond Equity Investments - **Cash House Buyers, Philadelphia, PA**. Have you been served a foreclosure notice and are desperately looking to salvage the situation? Are you in the middle of divorce proceedings and need to sell your house fast in Philadelphia? At Diamond Equity Investments, we work with distressed homeowners who need to sell their houses for cash.

We buy houses in Philadelphia as-is, so you don't have to spend anything on repairs or renovations. You also don't have to tidy up the home or worry about home inspection and appraisal contingencies.

We buy homes irrespective of their condition and location. So, if you're worried about your house being located in a bad neighborhood, we can help.

We buy houses in Philadelphia in just seven days. In some cases, we've purchased homes in just 24 hours. We'll take care of everything, including the closing formalities and the cleaning. You can leave the unwanted things behind for us to clear out. Plus, our team will pay for the closing and help you relocate.

Call **1-215-600-1442** to learn how to sell a house fast in Philadelphia. We'll make a no-obligation and fair offer in less than 24 hours.
