We're a Calgary-based industrial services company, and we take pride in providing clients with facilities management and commercial and industrial services. Our team at Emalgan Electric Inc has the know-how to take on any project no matter how big or small; our years of experience mean we are experts in everything from installation and assembly, to maintenance and repair, ensuring you're covered no matter what.

Turn to us for any aspect of your operation! Quality Assurance has been key to the success of Emalgan Industrial Services. When you want things done right, you want someone reliable. We are a business that takes your project seriously and treats it as if it's our own—and that means we take safety seriously, too. It's all in the details, and we've got them covered. When you choose Emalgan Industrial Services in Calgary for your industrial maintenance or facility requirements, you can be sure that we will deliver high-quality workmanship and the most progressive technologies.

We offer competitive pricing while maintaining high value through sustainable practices and performance-based sustainability reporting. Our team at Emalgan Electric Inc has the know-how to take on any project no matter how big or small. So when you need an electrician near me, call us!
