## **Fourways Chemists**

Fourways Chemists offers the Electronic Prescription Service, which allows you to choose or “nominate” a pharmacy to get your medicines or appliances from. Your GP then sends your prescription electronically to the place you have nominated, this means:

### **Fourways Chemists Prescription Service**

If you collect your repeat prescriptions from your GP you will not have to visit your GP practice to pick up your paper prescription, saving you time.

- Help you with insulin pen problems or emergency supplies of regular medications.
- Advise on medications including recommendations, advice on side effects (including for prescription medications).
- Review existing prescribed medications.
- Advise on which medications (including over-the-counter or herbal remedies) can be safely be taken together.
- Manage repeat prescriptions.
