[Halstead Preparatory School for Girls](#) Aged 2 to 11 years, Woking. **Halstead Preparatory School for Girls** is a supportive, welcoming, special and effective Independent School for Girls between the ages of two and eleven that offers high-quality education in a loving and considerate family environment.

Halstead Preparatory School for Girls believe in high quality teaching, a high standard of education ignites the love and enthusiasm for learning that will be with Halstead girls for life. We provide a well-rounded education that taps into the innate curiosity and imagination of each girl while challenging them at every opportunity and stimulating them.

We at **Halstead Preparatory School for Girls** are all very proud of our 1927 heritage, but we are also a progressive, forward-thinking school that embraces education and our community's evolving landscape. Halstead is a dynamic place to learn, unique and exciting.

Halstead Preparatory School for Girls girls are moving on to many of the highly competitive and high-quality senior schools in the city. What is most important to them, however, is that they move on to the right school that will allow them to continue to excel and build on the strong foundations set up at Halstead.
