If you're looking for a reliable, family-owned construction company that specializes in high-quality residential and commercial roofing in Lehigh Valley, PA, from brand-new roof installations to repairs, look no further than J.O.N. Construction, Inc. Our staff is friendly and professional and has decades of experience in the field, so you can rest assured that your project will be handled smoothly from start to finish.

We source reliable materials and provide consistent quality craftsmanship because we want to ensure that when you hire us for your next roofing project, it will be a seamless experience from beginning to end. In addition, we handle each project individually, ensuring it's done right — and done well — every time.

Our staff is also highly skilled at communicating with our clients so they have all the information they need to make informed decisions regarding their projects' requirements and timelines.
