[Kensington Flowers - Flower Shop & Florist](#) in Kensington. **Kensington Flowers** has a long tradition of serving the local neighbourhood over the decades. With large period windows, our Flower shop is located in a small back street of Kensington, not far from Kensington Palace Gardens and the bustle of the High Street.

Bouquets . Collection of seasonal bouquets, inspired by the English countryside. We try to source British blooms whenever possible and love to work with fellow, small independent businesses and flower growers.

Arrangements . British blooms whenever possible and love to work with fellow, small independent businesses and flower growers.

Wedding Flowers . We cater for small, intimate weddings in central London and offer a bespoke, design service.

Corporate . Kensington flowers work closely with clients to ensure the creative and lasting displays enhance environments and make a positive contribution to your corporate image.

Party Flowers . Whatever the celebration, Kensington flowers will work closely with you to provide the perfect floral arrangements to suit your taste, room scheme and budget.

Kensington Flowers reliably deliver and install weekly fresh flower vase arrangements and plant displays to local London businesses, Colleges and Schools. Other corporate services include supplying flowers for special events, lunches, business meetings and Christmas parties
