## Lisle Self Storage

**Lisle self-storage is one of the top well-reputed storage companies. We have different sizes & containers that start from 20ft. We have 24 hour full security & well trained staff.**

Lisle self-storage is the best company of storage. We have different size of containers. We provide the best service in cheap price. It's just 120 Euro per month for a 20ft container. You can store your documents and that thing which is important but you don't have enough space to store it.

We have 24-hour high alert security and CCTV cameras. We have free car parking and you don't have to pay extra money for the ground container. Now no need to go far because we are near to you. This is the cheapest storage company in Kidderminster and the whole UK.

We have a big area of 3-acre for different size of containers. Choose your own container which one is suitable for your requirement. You can access your container any day any time. We give you best until you pay us.

**We have the most suitable Self Storage at very competitive rates starting from £120 a month (20ft containers)  
We aim to provide you with hassle-free, comfortable customer service.**
