ESCP Europe Business School's 50,000, network counts members from 200 nationalities spread across 150 different countries worldwide. Together with its long-standing relationships with national and multinational companies, this network allows ESCP Europe Business School to provide unique career opportunities on an international scale.

### ESCP Europe Business School, What Students Say

"My name is Isaac Junior Pete, I was born in Rouen, Normandy and grew up in the suburb of Paris. Prior to the MSc in Energy Management programme at ESCP Europe I earned a dual bachelor in international management from the Neoma Business School and the Beijing University of International Business & Economics. Since graduation, I have been working for the In-house consultancy of E.ON SE, one of Europe's largest utility companies, first as a visiting consultant then full-time, and now as a senior consultant.
