London Interiors & Maintenance Ltd - Building Contractors, Bromley Kent. **London Interiors and Maintenance** understand that only through capable craftsmanship and professional management can building design be realised.

In every project undertaken, we set out with the intention of achieving the unique vision of our clients. **London Interiors and Maintenance** have an unrivaled image in the market by concentrating on this target. One of our directors coordinates all our programs, guaranteeing delivery on schedule to the budget and to the highest standard. Thanks to the high quality and reliable services we offer, **London Interiors and Maintenance** establish long lasting relationships with our customers. The core of our success has been these relationships.

London Interiors and Maintenance provide fit-out and modernisation services for existing units in retail and develop services for new stores. We partner with our customers to create a customer-friendly retail space that improves profitability.

London Interiors and Maintenance have unparalleled learning environments in education, having turned pre-schools and nurseries into primary and secondary schools. In order to achieve the best possible atmosphere in which to teach and learn, we pay careful attention to the client brief.
