Seabass cycles ltd - Seabass Cycles Repair & Servicing, Peckham. Seabass Cycles owned by **Seabass cycles ltd** was established in 2013 with the opening of the Camberwell shop in London SE5. The driving force was to open a bicycle shop that we would like to go to as a customer, and one that would appeal to all kinds of cyclists.

We envisioned a shop with unbiased views on particular types of bike or style of riding, and a workshop that could cater for everyone from the carbon-riding athlete to the person who rides a clunky squeaker to the pub and back.

SeaBass Cycles Peckham opening Times

We have worked in various bicycle shops as mechanics and as shop floor staff since our early teens. Those years of hands-on experience within the bicycle world have given us an invaluable insight into what makes a good bike shop. Directors, Sam and Charlie'.
