### The Real Greek Bankside

**The Real Greek Bankside restaurant** is part of a chain of nine restaurants of which eight are in the UK. The Real Greek Bankside restaurant is few steps from the tourist hotspot Globe theatre.

**The Real Greek Bankside** restaurant offers Greek rather than Greek-Cypriot dishes, with a range of menus. We offer not just typical Cypriot pitta bread, but a far superior fluffy flatbread of the mother country. We serve tzatziki, taramasalata, dolmades, lamb kofte and beef meatballs with a feta dip.
